

## Dear First Love: A Novel

The numbing rhythm of daily life in poverty-stricken Havana has deadened Danae's mind and spirit. In search of her first true love, Danae returns to the countryside of her adolescence, where the government of Fidel Castro had sent her and other teenagers in the late 1970s to work in the fields under a corrupt and sadistic overseer. It is there, surrounded by a natural world infused with spiritual wonders, that Danae met and fell in love with Tierra Fortuna Munda, a campesino girl her own age. When the adult Danae finds Tierra again, their lives are transformed and their love reborn. But the ultimate test - their return to Havana - still lies before them.
