

Nobody Special (A Johnny Miller Novel) (Volume 1)

Recuperating from a work related injury on a friends boat in the south of Spain, Johnny Miller is forced back to work sooner than expected when he is given the news that the owner of the boat has been shot dead. He and his brother Terry must face demons from their past in order to survive long enough to solve the murder. As the death toll mounts in both England and Spain, only one thing is keeping Johnny focused. His friends and colleagues are amazed with the change Alsina has brought about.
