

The Mystery of Malaysia Airlines Flight 370

Malaysia Airlines flight 370 departed from Kuala Lumpur airport shortly after midnight, full of passengers flying to Beijing. Half an hour later, the greatest mystery in aviation history had begun. Though most of us will board an aircraft at some point in our lives, we know little about how they work and the procedures surrounding their operation. It is that mystery that makes the loss of MH370 so terrifying. Follow along step-by-step as Wrigley recreates the flight and its disappearance. Review the many varied theories as to how it could have happened up to and including alien abduction. The Mystery of Malaysia Airlines Flight 370 also introduces a variety of related crashes and incidents, allowing readers to draw their own conclusions.
