

Lord of Souls: An Elder Scrolls Novel

Forty years after the Oblivion crisis, the empire of Tamriel is threatened by a mysterious floating city, Umbriel, whose shadow spawns a terrifying undead army. Reeling from a devastating discovery, Prince Attrebus continues on his seemingly doomed quest to obtain a magic sword that holds the key to destroying the deadly invaders. Meanwhile, in the Imperial City, the spy Colin finds evidence of betrayal at the heart of the empire if his own heart doesn't betray him first. And Annaig, trapped in Umbriel itself, has become a slave to its dark lord and his insatiable hunger for souls. How can these three unlikely heroes save Tamriel when they cannot even save themselves?
