

Mama Raised a Killer: The Revenge

Teeka Love gave up her drug empire and moved to California with her mother, after she was almost convicted of killing John Gucci a mob member. Death followed her when she and her cousin Cyrisa (Cye) discovered the brutally violated and murdered bodies of their parents and found Teeka's daughter clinging for life in a bathtub in their California home. Teeka and Cye made a death pact not to leave California until every Gucci family member was dead or they themselves died trying. *Mama Raised A Killer II The Revenge*
