

## Shaving (Sealed with a Kink, Book Four) by Sean Michael (Sealed with a Kink series 4)

Cord is into shaving, finding it an intimate act, especially how a sub really needs to trust him to let him near his face and neck with a very sharp straight razor. Some years ago, Cords sub, Liam, left him, not willing to even try a full-body shave. Ever since, Cords been spending his Friday nights at the club, shaving subs for their Masters. It isnt the same as having a boy of his own, but at least he gets to work his magic with the straight razor. One evening, Liam unexpectedly sends Cord a drink, and Cord finds himself drawn to the back booth where his former sub is sitting. Cord never stopped caring for Liam, and now theres something different about Liam, something intriguing. Could this be a new beginning for Cord and Liam?
