

The Things Church People Wont Say

Rachel Titus, the first lady of Greater Mission Temple of Faith Ministries, Inc., has spent years perfecting her image. In addition to running the music ministry, she has been harboring a terrible secret that could wreck her marriage to Bishop Richard Titus, will she come to terms with the skeletons in her closet? Bishop Richard Titus has been set on building a legacy with his ministry. After building several churches, spending time away from home and turning a deaf ear to situations in his spiritual life and relationship, he could lose everything that he loves. The Things Church People Wont Say, is a dramatic and intriguing fiction story that explores the hidden secrets that people refuse to see, hear and speak of
