

## The Possession of Celia

In this long-awaited sequel to M. S. Valentines erotic classic *The Captivity of Celia*, Celia's lover Colin, still wanted for a murder he did not commit, must finally flee England. His cousin, Sir Jason Hardwicke, has provided Colin with a sanctuary - for the price of Celia's sexual favors. Jason finally releases Celia from her obligation and arranges for the couple's passage to safety in France. But Celia cannot easily forget the man who awakened so many desires within her. Can Colin compete with the memory of Jason's virility, or must Celia choose between them? From internationally bestselling erotica author M. S. Valentine, this contemporary erotic classic is the second in the popular Celia series.
