

The Indiana Companion to Traditional Chinese Literature, Vol. 1 (Japanese Edition)

A veritable feast of concise, useful, reliable, and up-to-date information (all prepared by top scholars in the field), Nienhauser's now two-volume title stands alone as THE standard reference work for the study of traditional Chinese literature. Nothing like it has ever been published. --Choice

The second volume to The Indiana Companion to Traditional Chinese Literature is both a supplement and an update to the original volume. Volume II includes over 60 new entries on famous writers, works, and genres of traditional Chinese literature, followed by an extensive bibliographic update (1985-1997) of editions, translations, and studies (primarily in English, Chinese, Japanese, French, and German) for the 500+ entries of Volume I.
