

The Whisky Jack

The Whisky Jack takes place outside of a small logging town in North British Columbia called Fort St. James. It is a fictional view of a slice of life of those residing in a small northern logging town. The characters are very loosely based on known individuals residing in the area circa 1970s - early 1980s. The events are also based on memories, whispers, and speculation tinged by the attitude of a young teenage girl and her understanding of these speculations. However, she does not figure into the story. ABOUT THE AUTHOR Crystal Dahl is a professional actress in the local Vancouver community having appeared in Bar None, Cat Swallows Parakeet and Speaks, A Guy Thing, Outerlimits, 3000 Miles to Graceland and Dead Like Me. In March 2011, she appeared in a Youtube commercial spoofing the modelling industry. The piece drew 47,000 page views. In October 2010, she was the top Vancouver Examiner for her coverage of the 2010 Vancouver International Film Festival drawing over 3,000 page views per day. OTHER PUBLICATIONS BY AUTHOR Digitized Radio in HiveZine December 2002 The Trip in Buddy Tales in May 2005 Mountain Spirit, Co-writer, ZeeZee Productions. Short Film 2008 Vancouver Performing Arts Examiner, examiner.com 2009-2011. Over 100 articles published.
