

## Community Policing and Problem Solving: Strategies and Practices (3rd Edition)

For courses in Community Policing and Problem Solving, Police in America, Police-Community Relations, Police or Criminal Justice Administration. Unique in perspective and comprehensive in coverage, this text fills a gap in the literature by providing an exceptionally up-to-date and scholarly synthesis of the collective nationwide experience in implementing both community policing and problem-oriented policing. It explains the processes and terms in detail--what they mean and how they are applied, as well as how they are implemented and evaluated. It explores both historical and operational perspectives, and provides examples of existing strategies and future considerations. Author team has over 35 years combined police service and 25 years of academic experience.
