

## Where the Bodies Are

The McAllister Series Book 1: Where the Bodies Are is L.V. Gaudets debut novel. What kind of dark secret pushes a man to commit the unimaginable, even as he is sickened by his own actions? Are you ready to step into the twisted mind of a killer? As reality blurs between past and present with a compulsion driven by a dark secret locked in a fractured mind, he is torn with remorse even as he cannot stop killing. How many women will die before he finds what hes looking for? What kind of dark secret pushes a man to commit the unimaginable, even as he is sickened by his own actions?
